

Commercial Urns 10-40 Litre

Safe and reliable commercial-grade portable urns.

These high-quality electric urns have a fresh new design but are still proven performers all around the world because they are safe, reliable and long-lasting. A size to suit any need.

Benefits

High quality & low maintenance – Chrome plated brass tap at a comfortable cup height and polished stainless steel body with vented, twist-to-lock lid. Welded joints for superior corrosion resistance and effortless cleaning

Temperature control – thermostat has adjustable settings for greater control over the water temperature

Safety – cut-out switch turns off the power if the urn boils dry and non-drip tap prevents accidents and mess

All you need – indicator light, water level gauge, heat-resistant knobs, easy-lift safety handles and lockable lid
